Policy Statement on Granting 10%
Pay Increase to Career Agents

1. Per our conversation of 14 July 1952, I am submitting for concurrence a memorandum to Finance Division.

2. This enunciates the policy that Career Agents will receive the 10% pay increase effective 7 July 1952, when their contracts provide for "increases in salary in accordance with CIA policy."

3. This question has been unresolved for a considerable time. It affects only a few Career Agents whose contracts do not specifically provide for legislative pay increases and which were written prior to 10 August 1951.

4. Attached as Tab A is a Plans/SO memorandum dated 23 June 1952, which pointedly illustrates the Agency's inconsistent position.

5. Concurrence is strongly recommended to clarify a relatively small but vexatious point.
